

Item No.5a Town of Atherton

PARK AND RECREATION COMMITTEE – REGULAR AGENDA

TO: PARKS AND RECREATION COMMITTEE

FROM: SALLY BENTZ-DALTON – PARK MANAGER

DATE: MAY 4TH, 2022

SUBJECT: Continued discussion and consideration of adding a pickle ball court at HPP and how the Subcommittee will move forward

Discussion

At the April Park & Rec meeting a subcommittee was formed to investigate the options of converting a court or building a new court. That subcommittee would work with Atherton, Noah, Michael, Bob, and other stakeholders to understand what compromises are possible.

The volunteers for the subcommittee are Julie Robertson, Taylor Henkel and Alex Keh.

At tonight's meeting the Committee can give direction to the Subcommittee on how to start the process and discuss anything else related to pickleball in Holbrook-Palmer Park.
