PARK & RECREATION COMMITTEE STAFF REPORT

TO: PARK AND RECREATION COMMITTEE

FROM: SALLY BENTZ-DALTON, PARK MANAGER

DATE: NOVEMBER 6TH, 2019

SUBJECT: PARK PROJECT LIST FROM STAKEHOLDERS

RECOMMENDATION

Review a list of park projects requested by park stakeholders for City Council consideration for 2020-21 budget.

DISCUSSION

Park stakeholders were invited to Park & Recreation Committee meetings in 2019 to discuss their programs in the park. Items discussed were the success of their business models, maintenance concerns, their relationship with the other park users and what, if any, projects at the park they would like to see that might enhance their product to the end users.

A list was developed during these meetings. The list contains projects both big and small.

Once the list is complete staff will add valuation to each of these projects for budgetary purposes to be presented and prioritized at a future Park & Recreation meeting to be recommended to Council in May 2020 for the 2020-21 budget.
