

ASPHALT PAVING • GRADING

## **“Street Improvement Notice”**

Construction work for the Town of Atherton’s 2020 Overlay Project is scheduled to commence starting on July 21<sup>st</sup>, 2020.

The Project, which is on Polhemus Lane, consists of Asphalt Milling, Asphalt Digouts, Asphalt Paving, Crack Sealing, and Striping.

Construction Hours are 8:00am to 5:00pm.

Although you may be slightly inconvenienced during the construction period, residents and businesses will be provided access to and from their property when required.

We would like to assure everyone that we will do our best to make sure that any disruptions resulting from this project are kept to a minimum. We apologize for the inconvenience. Your Patience and Cooperation are greatly appreciated.

If you have any questions regarding this project, please contact Danny Young or Scott Stengaard from O’Grady Paving, Inc. at (650) 966 – 1926.
