

Item No. 5f Town of Atherton

PARK AND RECREATION COMMITTEE –REGULAR AGENDA

TO: PARKS AND RECREATION COMMITTEE
FROM: SALLY BENTZ-DALTON – PARK MANAGER
DATE: MAY 5TH, 2021
SUBJECT: PARK BANNER APPROVAL FOR PARK ENTRANCE

DISCUSSION

The administration and interim Park Events Manager would like to add this banner to the two wooden poles located at the entrance of the Park. As discussed at past meetings visitors of the park are confused that a day use permit is required for any group over 12 people. This is a Town requirement and not COVID related. Staff feels this will help educate people as they enter the park. Staff receive a lot of complaints from park users on this requirement and push back on staff. As the banner is made from plastic it will not be permanent. This area has been used in the past to announce Town events. Staff would like feedback on the banner design and location.
